1. What has led you to apply for the Young Aviators 2014 program? Please explain.

--

2. Do you have any special knowledge, experiences or interests that would enhance your participation in Young Aviators? Tell us about them:

--

3. How did you hear about the Young Aviators summer program?

--

4. The Young Aviators program starts early (7:45 AM) and continues until about 4:30 PM in a day filled with classroom exercises, hangar work shop projects, flight simulator operations, and daily training flights with you at the controls. Do you think you can handle such an intense schedule for five consecutive days? Student should comment and sign his/her name to express commitment:

--

5. Notice to parents/Guardians: The Young Aviators program involves classroom, workshop sessions with tools, flight simulator and daily training flights with professional flight instructors in real training aircraft. Please sign below to indicate your agreement for your child to participate and your commitment to have him/her there on time each day.
